ACF Industries, Inc.
Shippers Car Line Division
620 North Second Street
St. Charles, Missouri 63301

Gentlemen:

Permit is hereby granted to ACF Industries, Shippers Car Line Division and B. A. Gustafsen, Vice-President, to develop a special waste storage site consisting of twenty-five (25) acres in the South $\frac{1}{2}$ of the Northeast $\frac{1}{4}$ of the Southwest $\frac{1}{4}$ of Section 11, Township 2 North, Range 10 West, Third Principal Meridian, to store special waste, all in accordance with the application prepared by Kenneth E. Ingram, P.E.: said application consisting of twenty-seven (27) pages dated March 12, 1980, one (1) plan sheet dated January, 1980, and six (6) plan sheets prepared by Kenneth Balk and Associates dated May 25, 1979, all received by the Agency on March 14, 1980.

This permit is issued subject to the standard conditions set forth on page three, attached hereto and incorporated herein by reference, and further subject to the following special conditions:

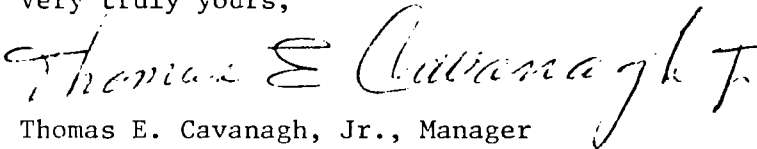

1. This permit covers only storage of special wastes generated by Shippers Car Line's railroad car tank cleaning operation.
2. Special wastes generated at this facility for ultimate land disposal shall be disposed at IEPA permitted disposal sites utilizing the Agency's supplemental permit system and manifest system.
3. This facility shall be developed in accordance with Chapters 2, 3, 7, and 9 of Illinois Pollution Control Board Rules and Regulations.

ACF Industries, Inc.

4. The issuance of this permit does not release the permittee from obtaining other necessary permits from this Agency.

You may now make application for an operating permit by writing a brief letter requesting same.

Very truly yours,

Thomas E. Cavanagh, Jr., Manager
Residuals Management Section
Division of Land/Noise Pollution Control
